India's largest integrated power company Tata Power on Monday announced that its subsidiary Tata Power Renewable Energy Limited (TPREL) has signed a Power Purchase Agreement (PPA) to set up a 9MWp on-campus solar plant at Tata Motors' Pantnagar plant in Uttarakhand.

This solar plant is poised to be the largest on-campus solar facility in the State.

The project will be commissioned within 6 months from the PPA execution date. The solar installation will utilize both rooftop and ground mounted units for installation.
