Tata Power Renewable Energy Signs Agreement for 12.5 MW Solar Plant with Supreme Petrochem

By Howard Rhodes
Oct 20, 2023

Tata Power Renewable Energy Limited (TPREL), a subsidiary of Tata Power Company Limited, has signed a Power Delivery Agreement (PDA) with Supreme Petrochem Limited for a 12.5 MW group captive solar project. The project, which will be developed through TP Saturn Limited, is expected to be operational within eight months of signing the agreement.

The solar plant will be located in Achegaon, Maharashtra and is projected to generate approximately 27.5 million units (MUs) of renewable power annually. By utilizing clean energy, Supreme Petrochem Limited, a major player in the polystyrene market, aims to reduce its carbon footprint and meet its sustainable energy requirements.
