## TPSSL and NTPC ink contract to supply 152 MWp solar modules

🕒 December 18, 2023

Tata Power Solar Systems Limited (TPSSL) has announced the signing of a contract with NTPC Limited to deliver 152 MWp solar PV modules. The modules will be delivered for NTPC's Nokh solar project in Rajasthan. The project's value amounts to around Rs 4.18 billion. NTPC is in the process of constructing Nokh solar park (three units of 245 MW each) in Pokaran, Jaisalmer, Rajasthan, with a total capacity of 735 MW. The project will employ bi-facial mono-PERC modules falling under the domestic content requirement (DCR) category.

In September 2023, TPSSL bagged \$425 million from the US international Development Finance Corporation for its forthcoming solar module and cell manufacturing plant located in Tirunelveli district, Tamil Nadu, India.

In the same month, TPSSL and Small Industries Development Bank of India signed MoU to provide easy financing solutions to micro, small and medium enterprises for solar adoption.

**The NTPC is building the 3x245 MW (735 MW) Nokh Solar Park in Pokhran, Rajasthan.**

December 18, 2023 13:28 IST | |

Tata Power Solar Systems has been awarded a Rs 418 crore contract to deliver 152 MWp solar PV modules for an NTPC project in Rajasthan's Nokh. Tata Power Solar Systems Ltd (TPSSL) said in a statement that it has signed a contract to deliver 152 MWp solar PV modules for NTPC's Nokh Solar PV Project in Rajasthan.

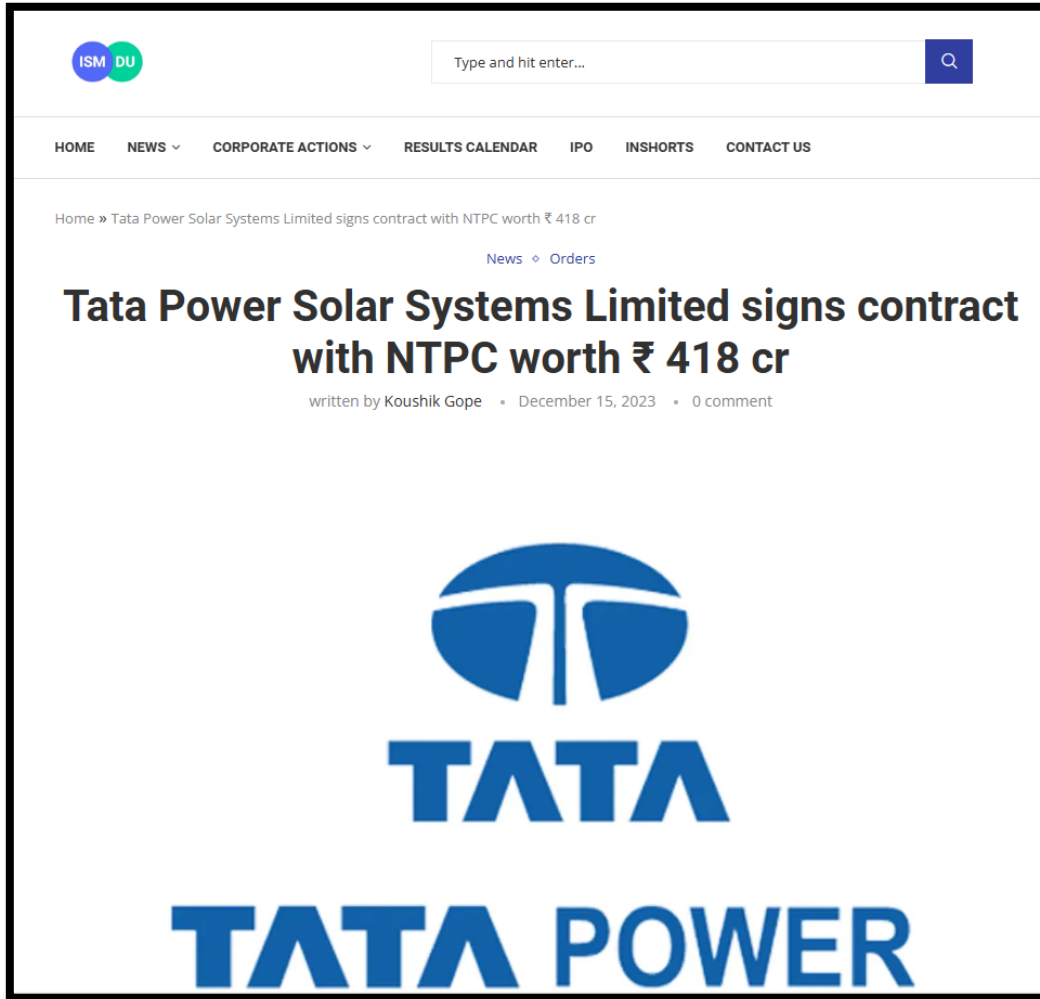

The project has a considerable order value of around Rs 418 crore, according to the statement.

The NTPC is building the 3x245 MW (735 MW) Nokh Solar Park in Pokhran, Rajasthan. According to the release, TPSSL's solar cell and module manufacturing facilities in Bengaluru would deliver 152 MWp DCR Solar PV Modules for this project.

Tata Power Solar Systems Limited, previously Tata BP Solar, is an Indian solar energy services company. It produces solar modules, cells, and other solar goods, as well as providing EPC services for solar power projects.
